### About

Ministry in the Marketplace, a ministry of a network of businessmen throughout the United States and other parts of the world to answer the call of the Great Commission by sharing the Gospel and Discipling others 1 to 1 so that they may grow in their faith to spiritual maturity. Our motto is E Squared, "Evangelism and Edification", which covers all relationships we have with all people. Many of our podcasts come from talks at various retreats that have occurred over the past 40 plus years around the United States.

# Observations and Applications

- Why don't men get involved in Discipleship?
  - They don't believe they can do it.
  - They don't want to do it.
- Pray for one man to disciple. Start with one man.
- The "People Business" is a messy business. Embrace the reality of it.
- Life will be "Unbalanced". Embrace it.
- Don't worry about not having all the answers.
- Minister to men on their terms, not yours.
- Don't get sidetracked by "Secondary Targets".
- Let God's word do the work.
- You need to be discipled before you disciple another man.
- Discipleship is for you, not for the guy you are discipling.
